McLAGGAN HOUSE, 1 WURZBURG COURT, DUNDEE, DD2 1FB

10<sup>th</sup> October 2021

## **COURT ORDERS**

CONFIRMING THE VERDICT OF THE COURT

**In the matter of**

**The People (represented by John Smith), c/o 74 Strathmore Street, Dundee, DD5 2NZ**

**(Plaintiffs)**

**v**

**Michael Stott, c/o 1 Poppyfields Way, Brackley, NN13 6GA**

**Donna-Lee Andrews, c/o [trainingcoordination@protonmail.com](mailto:trainingcoordination@protonmail.com)**

**(Defendants)**

**Dated: 10<sup>th</sup> October 2021**

As part of the Plaintiffs case, it was established that all individuals attending the court hearing were doing so as living men and women, the Pursuer has confirmed his standing by submitting a declaration of birth with the Common Law Court.

The Plaintiff has also obtained ownership of the Fictitious Name 'MR JOHN SMITH' which is confirmed on the Common Law Court website.

The jury was established and consisted of twelve reasonably minded living men and women.

In relation to the Plaintiffs case, John Smith presented his Statement of Claim on behalf of the people and submitted documentation to support his case, this documentation also included witness statements which were signed and witnessed. The Plaintiff while addressing a jury of his peers also referred to video evidence that he had provided.

The Defendants having been served with a Court Summons, Court Information and a copy of the case against them (Statement of Claim), failed to appear. The Defendants failed to submit a written defence against the claims made against them, in the correct format and failed to take up the opportunity of a Pre-Trial Conference to resolve matters before the hearing.

### Information taken from the 'Court Information' document

*"If you wish to dispute the charges brought against you, you will be required to submit an Affidavit of Truth, which has been duly signed and witnessed to the Common Law Court on the following e-mail address: [info@commonlawcourt.com](mailto:info@commonlawcourt.com) and an additional hard copy will have to be sent to the Plaintiff by recorded delivery.*

*Any submission made must be received no later than seven (7) days after the receipt of the Writ of Common Law Court Summons. Any such submission to the Common Law Court will be acknowledged within twenty-four (24) hours by return e-mail. Failure to receive such an acknowledgement will mean that the Common Law Court has not received the submission and that it may not be relied upon in the Common Law Court."*

It should be noted that the Defendants, although failing to respond in the correct format did both forward an e-mail to the Pursuer, which was not required. The requirement for notifying the Pursuer was by way of a written affidavit, signed, witnessed, and sent by recorded delivery through the post, this was done by Michael Stott but not by Donna-Lee Andrews.

In relation to Donna-Lee Andrews it was confirmed that she did send an e-mail headed 'Sworn Affidavit of Truth,' but it was not signed, choosing instead to type her name in. There were also three witness names provided but again all names were typed in and not signed.

In relation to the requirement for notifying the court, it was clearly stated that the court required an copy of their affidavit set by e-mail to the following address [info@commonlawcourt.com](mailto:info@commonlawcourt.com) . This was not done; therefore, no submitted defence was lawfully entered.

It should be noted that despite the failings of the Defendants to comply with the peoples summons, their submitted e-mails were still given to the jury as evidence of their behaviour.

It was then pointed out that the Defendants, while behaving in such a manner have lawfully failed to respond to this court and the people but have also refused to answer to the people. The Defendants were issued with a court summons, on behalf of the people yet they have confirmed that do not wish to answer to the people.

John Smith on behalf of the people pointed out that considering the Defendants both claimed to stand under common law, they do not do so.

During the trial, in presenting the case on behalf of the people John Smith also requested various orders, the jury return the following decisions:

In relation to the Statement of Claim and the supporting evidence presented this day by John Smith on behalf of the people, we the Jury, consisting of twelve reasonably minded men and women and having considered all the evidence presented at this hearing, issue the following orders:
